POWER SUPPLY DETAILS

I request that you disconnect the supply of electricity to the property at street, number, city/town, zip code, with meter number, which I currently use, on (preferred date of disconnection**) / / 20.....

My meter is not readily accessible (interior meter), therefore HEDNO should give me prior notice by telephone to the following number:

FINAL BILL ADDRESS

I would prefer the final bill to be delivered to the following address: street, number, city/town, zip code:

ADDITIONAL INFORMATION

IBAN: GR - - - - - - -
(It is filled out optionally for the payment of compensation in case of non-timely completion of the discontinuation of power supply by HEDNO S.A.).

** The preferred date of disconnection must be later than the date of receipt of this form. If this condition is not met, or in case of non-specification of preferred date of disconnection, the request for disconnection of electricity supply (voluntarily by the customer) to HEDNO will be implemented on the day following the date of reception of this request.

CONSENT/ ACCEPTANCE OF TERMS BY THE CUSTOMER

I hereby authorize WATT AND VOLT S.A. to submit, up to one working day upon its receipt, a request for the discontinuation of power supply for the power supply with the number indicated above. In case of non-timely completion of this Service, HEDNO S.A. shall proceed to the payment of compensation in accordance with the provisions of the applicable Regulatory Authority for Energy Decision on "Guaranteed Services to Consumers" (<https://www.deddie.gr/el/eggyimenes-ypirisies-katanaloton/>). By not providing your bank account details, you exempt HEDNO S.A. from the obligation to pay compensation in case the request is non-timely completed. WATT AND VOLT S.A. will not keep the bank account number you provide herewith for any other kind of transactions. In case that by the submission of the request for power supply discontinuation it is found that there is already a pending request to HEDNO S.A. for Change of User for the same power supply, this request for power supply discontinuation cannot be submitted.
